

The Confident Girls Foundation helps girls achieve their dreams, and you can help us help them while you work.

## VISION

All Australian girls have the opportunity to become confident women.

## MISSION

To provide opportunities for vulnerable girls in Australia to thrive through netball.

Be another powerful voice in providing opportunities for vulnerable girls to thrive.

# CONFIDENT GIRLS FOUNDATION

WORKPLACE GIVING

The **Confident Girls Foundation** works closely with netball associations and clubs using the power of netball to improve young girls' physical and mental well-being.

The **Confident Girls Foundation** creates an inclusive environment and encourages a sense of belonging to reduce some of the issues faced by young women today, enabling confident girls to grow into confident women.

The **Confident Girls Foundation** is a registered charity partnered with Good2Give to facilitate Workplace Giving from employees' pre-tax salary.

Workplace Giving enables your employees to have a donation deducted from their wages each pay cycle and paid directly to the charity.

.....

### **BENEFITS TO EMPLOYEES:**

- Workplace Giving allows employees to make regular donations from their gross pay.
- It provides an immediate tax benefit by reducing taxable income.
- Employees can opt out or change their donation amount at any time.
- Pre-tax donations are processed automatically through payroll.

Regular donations, no matter how big or small, allow the **Confident Girls Foundation** to plan for the future.

As donations come from pre-tax salary, employees don't have to claim a deduction at the end of the financial year. This has the dual benefit of supporting a charity, and reducing the employee's taxable income. This allows employees to give in a smarter, tax-effective way and builds a sense of pride in their employer.

Staff who contribute to the community report that they feel more engaged in their workplace, and take pride in making an impact on the causes that matter to them. Employees enjoy knowing their organisation is making a difference in the community.

.....

### **BENEFITS TO EMPLOYERS:**

- Creates a better place to work for your employees, boosts engagement, and can achieve greater impact for your business and your community.
- Is easy to set-up and is a simple, efficient way to support your employees' wishes to contribute in their community.
- Corresponds with greater staff engagement, increased morale, staff retention, productivity, reputation and social impact.
- Provides an opportunity for employees to contribute to community organisations.
- Is simple to process through payroll.
- Demonstrates good corporate social responsibility and citizenship.
- It is a cost-effective way to build long-term partnerships with the **Confident Girls Foundation**.

### **THANK YOU**

Though it might seem like only a small contribution, regular donations from a large number of employees can add up to a significant and meaningful gift, which will enable the **Confident Girls Foundation** to have a greater impact in the community. Your organisation might even consider matching your employees' contributions.

### **HOW YOU CAN BE INVOLVED**

The **Confident Girls Foundation** is registered with Good2Give as a program of the Australian Sports Foundation. Good2Give is a not-for-profit organisation that makes it easy for businesses and donors to give through their pre-tax pay and can help you with the technology to set up a workplace giving program [www.good2give.ngo](http://www.good2give.ngo)

Or you can arrange for your employees to support the **Confident Girls Foundation** directly through your payroll system.
